

PIERPAOLO DELLA MONICA

Via Ariosto 25 (DIAG), Rome, Italy — Currently in Bochum, Germany ◊ dellamonica@diag.uniroma1.it

EDUCATION

PhD Student in Cybersecurity

November 2023 – Present

Supervised by Prof. Ivan *Visconti*, **Sapienza** University of Rome, Italy

Visiting researcher Prof. Julian *Loss*, Ruhr University Bochum (**RUB**), Germany (9 months)

Relevant coursework:

Data Privacy and Security, Secure Computation, Post-Quantum Cryptography, Distributed Ledger Technologies

M.Sc. in Computer Engineering (cum laude)

September 2021 – September 2023

University of Salerno, Fisciano, Italy

Specialization Cybersecurity. Final grade: 110/110 cum **laude** (29.6/30). Supervised by Prof. Ivan *Visconti*.

Thesis: “Design, Analysis, and Implementation of Privacy-Preserving Non-Fungible Tokens”.

B.Sc. in Computer Engineering (cum laude)

September 2018 – September 2021

University of Salerno, Fisciano, Italy

Bachelor’s Degree in Computer Engineering and Electrical Engineering and Applied Mathematics.

Final grade: 110/110 cum **laude** (27.8/30). Supervised by Prof. Antonio *Greco*.

Thesis: “Design and Implementation of a Web Application for Automatic Sound Recognition”.

PROFESSIONAL EXPERIENCE

Research Scholar

September 2023 - November 2023

University of Salerno, Fisciano, Italy

Theoretical and applied research on zero-knowledge proofs, with a focus on zk-SNARKs.
